

Broden Carney 2008 Maryland State 50cc Champion

This is my son, Broden Carney #17. He is 6 years old and we live in Selbyville, DE. Broden recently won the Maryland State Championship held on 10-11-08 and 10-12-08 @ Budds Creek MX Park in Mechanicsville, MD. He was racing his DRR/DRX 50cc. He raced in the 50cc age 4-6 class.

Broden is ranked 4th in his class for District 7 (he only attended 6 AMA races in 2008)

My husband just redid the motor so it is now a 70cc. Broden raced his first AMA race for 2009 @ Budds Creek in the 70cc class on 11-8-09 where he came in 2nd place.

There was an article about him in our local paper 2 weeks ago. If you would like to see it you can Google Broden Carney and it will come up.

We are pretty new to the racing world. If you could help point us in the right direction to get sponsors it would be greatly appreciated. Since we have 4 children, money gets a little tight with repairs and race fees.
